EXECUTIVE ELECTION

The new executive structure was explained to the members. A brief discussion about the various roles seemed to satisfy everybody. A suggestion was made and adopted by a show of hands that the position of Director of Activities be split into a Director of Competitive Activities and a Director of Social Activities. Nominations for the positions were opened and the results were:

President	Ron Bellows (acclaimed)
Director of Finance	Paul Hann (acclaimed in absentia)
Director of Membership	Craig Rencher (acclaimed in absentia)
Director of Competitive Activities	Robert Mari (acclaimed)
Director of Social Activities	Phyllis Daniel (acclaimed)
Director of Community Relations	Roger Burgess (acclaimed)
Director of Communications	Raymond Daniel (acclaimed)
Director of Maintenance	Tony Cairns (acclaimed)

USE OF THE COURTS

The question was raised about the scheduled use of the courts. No resolution of this issue seemed imminent at this meeting so it was suggested that the issue be put to the whole membership and their input be considered by the executive in setting the court use policy.

The rumbling of stomachs required that the meeting be adjourned at this point. A wonderful pot luck dinner was enjoyed by all.

Thanks to Robert and Judy for hosting the AGM and the dinner.
